Can We Buy Or Reserve A Home Now?

Florsheim and Fitzpatrick will release homes for sale on a regular basis and will keep you informed about the Sales Guidelines. However, the overwhelming response to this location and general market demand, means that getting pre-qualified with our preferred lenders will be of utmost importance.

What Can You Tell Me About The Site Plan?

The homesites vary from a typical minimum of 5,000 square feet, to over 6,000 square feet. The site layout itself showcases individual neighborhoods so each product line will have a unique feel and streetscene. Florsheim homes, built on 5,000 SF lots will be Icon (as shown in the model homes on Vintage Drive). Icon+ by Fitzpatrick will be built on the larger 6,200 SF lots and offer the identical floorplans plus 3-car garages as standard, extra masonry on the exteriors and upgraded interior features.

When Will The Homes Be Ready To Move-in?

Homes should be ready for occupancy in 2022, weather permitting.
