YOUR LIFE.
YOUR STORY.
YOUR HOME.

The Florsheim Team believes home should be a place where life's special moments flourish & memories are golden.

Craftsmanship.

Dedication.

Trust.

Florsheim Homes is a family-owned business founded in 1983 by two brothers, David and Bob Florsheim. David and Bob both brought unique qualities to the table. David was passionate about details which was a perfect fit for construction and Bob enjoyed the land purchase and financial side of the operations. Together they built an amazing company that has deep roots in the Central Valley and Reno market areas. David has since passed down the baton to Nancy Florsheim Sebok and Randy Bling. As CFO, Nancy handles the company's finances and Randy runs the day-to-day operations as president of Florsheim Homes. Both work as partners alongside Bob to guide the company and set the tone and culture for the future.

OBSESSIVE QUALITY

Florsheim not only includes design innovations but functional ones as well. There are environmental and cost-saving features built into every home. You might say we're a little obsessive, maybe even fanatical, when it comes to quality construction.

YOU'RE GONNA LOVE US!

You work hard and want a soft place to land after a long day. At Florsheim Homes, we define innovation as the small steps we take to make your life more comfortable and your time at home more enjoyable. That's why we offer so many floorplan options, fixtures and finishes to match your taste and fit your needs.

GREAT HOMES, GREAT PEOPLE

The Florsheim Team believes home should be a place where life's special moments flourish and memories are golden. So, while some define innovation as the latest gadget or the newest trend, we approach it differently – for us, innovation is a way to make your life a little richer and days a little brighter.
